North American Free Trade Agreement Panel Discussion

The Hispanic Law Students Association, the Environmental Law Society and the International Law Society are sponsoring a panel discussion on the North-American Free Trade Agreement on Friday, March 13, 1992 from 9:00 a.m. to 12:00 noon in the auditorium at Chicago-Kent.

In August 1990, Mexico's President Salinas requested negotiations with the United States on a bilateral free trade agreement (FTA). Canada, whose FTA with the United States went into effect January 1, 1989, asked to participate fully in the negotiations with the goal of a trilateral agreement. Negotiations began in 1991. Under the fast-track procedure, the President must consult with Congress during the negotiations, and must submit the agreement and necessary implementing legislation to Congress for approval. The Forum will address issues raised by the negotiations. We expect to get an update on what may be the most important trade negotiations of the decade.

The Panelists will be: Alejandro Carrillo Castro, Consul General of Mexico; Miguel Noyola, Baker & McKenzie; Anne Alonzo, U.S. Environmental Attache to Mexico; Don Wiener, Fair Trade Campaign; and Don Turner, Chicago Federation of Labor. Professor Fred Abbott will be the moderator.

LAW OFFICES

Registration for In-House Programs

Summer 1992 Applications due Tuesday, March 10

Fall 1992 Applications due Thursday, April 2

Students who would like to learn how to practice law while they are in law school should register for the clinical education class, Law Offices. Applications are now available for summer and for fall. The summer applications are due March 10 and the fall applications are due April 2.

Students may enroll in Law Offices after they have completed their first year of law school. To be eligible to enroll, ALL students must complete and return a completed Law Offices application for the semesters in which they wish to enroll. Applications must be turned in to the Law Offices receptionist in Suite 600 by the appropriate deadline.

Students who have taken or are currently taking Law Offices (called Continuing Law Offices Students) and who submit their applications by the due date will be given preference if availability permits. Other students who have submitted their applications by the due date will be selected in the Law Offices lottery. Separate lotteries are held for summer and for fall.

There are three in-house divisions to choose from - the civil division, the criminal division, and the tax division. In the civil division the clinical faculty handle a broad range of significant cases including employment discrimination charges on behalf of employees, civil rights cases, tort matters, real estate closings, etc. During the course of a semester, students typically interview several potential clients and are assigned from five to eight cases. They may draft pleadings, interview witnesses, write motions and other court papers, prepare for negotiation and counseling sessions, and second chair at various court appearances.

In the criminal division most of the matters handled by the clinical faculty are major felonies in both the state and federal courts. Thus, students work on such diverse cases as capital offenses and commodities fraud. They may interview witnesses, prepare motions, second chair at trials, and prepare for plea bargaining sessions.

In the Federal tax division the students, under the supervision of a clinical faculty member, handle Federal tax examinations, appeals and collections matters before the Internal Revenue Service, and litigation in the United States Tax Court. They may interview taxpayers; review documentation; research the applicable tax law; prepare and submit written protests to the I.R.S.; prepare Tax Court petitions, motions, stipulations, and briefs; and represent taxpayers before the I.R.S. and in the Tax Court.

ADVANCED EXTERNSHIP PROGRAM, FALL 1992

Advanced Externship Program: Prospective Third Year Students

Do you wish to develop your legal skills and gain practical legal experience? Do you wish to work in a specialized area of law with a corporation, firm or government agency? Do you wish to make yourself more marketable to prospective employers upon graduation? If you have answered "yes" to any of the above questions, you should consider applying for the Advanced Externship Program for Fall Semester 1992.

The Advanced Externship Program is a four-credit hour program. An extern is placed in a private or public, civil or criminal practice and is required to work 16 hours a week at his/her designated placement. Civil externs may select to work under the supervision of general counsel in major corporations or under the supervision of designated teaching lawyers in well-known firms or specific government agencies. Externs may specialize in such diverse legal areas as tax, commodities, securities, corporate, health care, medical malpractice, and general corporate law, etc. Criminal law externs may select to work with designated supervising lawyers at the States Attorney's Office, Public Defender's or the U.S. Attorney's office.

If you are interested in learning more about externship opportunities or in applying for the program, please see Professor Vivien Gross in Rm. 617.

Important Information About Your Resume

We want to clear up some confusion concerning the wording of the legal education section of student resumes.

In past years, Chicago-Kent student resumes have read:

(first line)	IIT Chicago-Kent College of Law

Chicago-Kent's new policy is to indicate the school's name as follows:

(first line)	Chicago-Kent College of Law
(second line)	Illinois Institute of Technology
	Juris Doctor expected June 1994

Please make sure to take a look at your resume and make sure you word this information correctly. If you have questions, contact Lisa Abrams in the Career Services Office.

RE: **CRITICAL INFORMATION REGARDING:**
FINANCIAL AID AND NEED-BASED SCHOLARSHIPS

The 1992-93 Financial Aid Form (FAF) and the Chicago-Kent College of Law, Illinois Institute of Technology Financial Aid Application are now available in the Office of Admissions and Financial Aid, Suite 230. An information packet to assist you in completing the forms is also provided.

This is a long memo, but it is one you need to read. Your financial aid, whether a loan and/or a need-based scholarship, depends on it.

Once again, that time has arrived for you to begin the process of applying for financial aid for next year. Please take note of the calendar of important dates below; I suggest that you save this memo for later reference.

We have prepared an information packet to assist you in the application process. Please be sure to read through the **entire packet**. These packets, along with the FAF and Chicago-Kent College of Law Financial Aid Application, can be obtained in Suite 230 of the new building.

Recent congressional legislation has made an important change in the federal student loan programs: borrowers age 21 or older will be required to undergo a credit check before any loans are approved. **This may affect your ability to borrow student loan funds.** Information regarding credit reports is provided in the information packet; please read it carefully. Additional information will be announced in The Record as it is received.

Take special care in reading the FAF instructions. The school code for Chicago-Kent College of Law is **1654**. Please note that this is NOT the code listed in the FAF packet.

To be eligible for all forms of financial aid you must meet the deadlines listed on the following page.

By April 1

1. The FAF should be received by the College Scholarship Service (CSS) no later than April 1. A pre-addressed envelope is enclosed with the FAF instruction booklet. Plan to mail it in sufficient time to meet the deadline.
2. Your Chicago-Kent College of Law Financial Aid Application should be received by the Chicago-Kent College of Law Office of Admissions and Financial Aid no later than April 1. The Office is located in Suite 230 in the new building.
3. Financial Aid Transcripts must be sent to all previously attended colleges or universities by April 1, if this is the first time you are applying for financial aid at Chicago-Kent.

By June 1

1. After you file your FAF, you will be sent a Student Aid Report (SAR) by the College Scholarship Service (CSS). All pages of your Student Aid Report should be in your financial aid file at Chicago-Kent College of Law by June 1, even though it will say that you are not eligible to receive a Pell Grant (Pell Grants are for undergraduates only). Do not send any corrections on your Student Aid Report to CSS; send the SAR to the Office of Admissions and Financial Aid as is and attach any corrections on a separate sheet of paper. **Make sure that you sign the report where indicated.**
2. If you are selected for Verification, you will be asked to submit copies of your tax forms and a Verification Worksheet. These materials and your SAR must be returned before a financial aid award will be determined for you.
3. You should sign and return your financial aid award letter to the Office of Admissions and Financial Aid by June 1, or within three weeks if received after June 1.

By July 15

1. You are expected to turn in student loan applications from the lender of your choice by July 15. If you are unsure of a lender, contact the Office of Admissions and Financial Aid at (312) 906-5180. Loan applications for the Law Access program will be available in the Office of Admissions and Financial Aid, Suite 230. You can also obtain a Law Access loan application by calling Law Access directly at (800) 282-1550.

We are ready to help if you need assistance -- just call the Office of Admissions and Financial Aid at (312) 906-5180. Above all, please do not put this off (especially doing your taxes).

Thank you for your cooperation.
